

Botanical Foot Powder

The following formula is based on all naturally derived raw materials. The foot powder controls odor and moisture.

Phase	Components:	Wt., %	Function	Vendor	
A	1	Farmal™ CS 3757 INCI: Zea Mays (corn) Starch	86.25	Absorbent	Corn Products International
	2	Sodium Bicarbonate	12.00	Odor Control	
	3	Cab-o-sil M5, INCI: Silica Dioxide	0.80	Flow Agent	
	4	Lavender Oil INCI: Lavandula Angustifolia (Lavender) Oil	0.60	Antimicrobial/Antiseptic	
	5	Tea Tree Oil INCI: Melaleuca Alternifolia (Tea Tree) Leaf Oil	0.20	Antimicrobial/Antiseptic	
	6	Methylparaben	0.15	Preservative	

Procedure:

1. Mix all dry ingredients in a ribbon blender until uniform.
2. Add Lavender and Tea Tree Oils to powder mixture and blend until uniform.

Appearance: White powder.
